

**Fishers Fire Department is hosting the Blue Card Hazard Zone Management Train-the-Trainer April 25-30, 2011.** Certified Blue Card Hazard Zone managers need only register for the second half of the course (April 28-30).

<http://www.regonline.ca/Register/Checkin.aspx?EventID=918195>

**Blue Card Train the Trainer (TtT) Instructor Program - \$4,000.00**

- ❖ All TtT students must successfully complete the on-line training program and the 3 day certification lab prior attending a TtT session
- ❖ Most TtT sessions in 2011 will be 6 day sessions. The 1<sup>st</sup> - 3 days of a 6 day session are used to certify the Instructor, followed by the 3 day Instructor session
- ❖ If the TtT student **has** completed the on-line training program and the 3 day certification lab prior to the session, they will only be required to attend the last 3 days of the session
- ❖ If the TtT student **has not** completed the 3 day certification lab prior to attending a TtT session, there will be an additional cost of \$250 for the 3 day sim lab
- ❖ If the TtT student **has not** previously purchased the on-line training program and the 3 day certification lab prior attending a TtT session, there will be an additional cost of \$600 for both the online training program and the 3 day sim lab

**What an Instructor receives During a TtT session:**

- Minimum of three – 8 hour days of instruction by Certified, Blue Card Lead Instructors
- Instruction and detailed lesson plans on the 5 basic occupancy/building types
- Overview of all 10 core Simulations in the Instructors certification package

**What an Instructor receives for 1 year after a TtT session (Certification date):**

- Continued access to all Blue Card online modules
- Continued access to all E-Textbooks
- 1 year subscription to BSHIFTER online magazine
- The Task and Tactical level training material presented in the BSHIFTER online magazine will match up to the strategic level training in the Instructor Training Packages
- 4 - 3 hour, Quarterly CE modules
- CE's are also tie into and correlate with the Instructors Training Packages
- Access to the Blue Card Instructors Download Center

**Quarterly Instructors Training Packages mailed out every Quarter will include:**

- At least 1 - Full blown simulation with several tactical positions. Included are the Instructor Simulation Overviews and the classroom Simulation PowerPoint Reviews
- Updates to previous training materials
- Task, Tactical, and Strategic Level training packages
- Videos, PowerPoint presentations, and more...

Enrolled Instructors will also be invited to the Blue Card semi-annual Instructors support meetings (free – you just have to get there). These meetings will be held during the Annual Brunacini Hazard Zone Conference in Oct. at the University of Notre Dame and in the Indianapolis, IN area during FDIC week. The focus of the Instructor meetings will be to review the Instructors material sent out the previous 6 months, to get input from all Instructors and it will also give all the Instructors a chance to network, coordinate and trade ideas.
